## ABOUT ME

Motivated Computer Science graduate seeking an entry-level position as a software developer in a reputable software company. Passionate about developing innovative solutions and collaborating with teams to deliver high-quality software products. Looking to utilize my skills in full stack development, including front-end and back-end development, database design, and testing to contribute to the success of the company while continuing to learn and grow in my career.

## WORK EXPERIENCE

### Full-stack Web developer

**Online Marketplace** [ 01/03/2022 – Current ]

Link: <https://github.com/ANIS756>
